

**DIGITAL
MARKETING
ADELAIDE**
The online specialists

Digital Marketing Adelaide specialise in social media, online marketing & digital advertising. We help our clients grow their business using the power of digital marketing. Our difference is that we focus on LEAD GENERATION using online activities to get you more customers/clients.

That means tangible results - more incoming leads, more foot traffic to your business, more website visits, more online enquires, more sales and ultimately more profit.

And now we're going to show you how to do it!

Introducing our new training sessions

FACEBOOK MARKETING BASICS

These are 1 on 1 sessions with you and your team where you'll learn about advertising & marketing practices that aim to get you more leads and ultimately help earn more revenue.

The 4 hour session covers topics such as Facebook Business Pages, optimisation, how advertising works, ad creation, how to build audiences, re-marketing/re-targeting, creating look-a-like audiences, the use of landing pages, the use of Instagram, what to post, what not to post, reporting, audience insights and so much more.

The session also includes information on the useful free online tools available to assist with digital marketing.

Perfect for start-ups, small businesses and marketing teams; we will tailor our session to you and your company so you get the best advice that's right for you.

Location at our office 1st Floor, 142 Melbourne St

\$1,500 + GST

Maximum of 4 people per session

4 hour session (can be split across 2 days)

Training can also be done online using Zoom.
